Dear Jagdish,

Thank you for your generous gift of $5,000, which we received on April 17, 2020. Please extend my deep appreciation to all at the IAFFF. We are especially grateful for your support of Northwest Harvest and those we serve during this challenging time. Your gift will help make sure everyone in Washington can have healthy food on our tables, throughout this health crisis and beyond.

Your generosity and concern for our community allows stories like this to be told:

> "Thank you for the lunches. We love them and my brothers and sister and me get super excited when my Mom comes to pick up them. Thank you for the food. Mom is not working anymore."
> -From a thankful 8-year-old

> "I just wanted to say those boxes that were delivered were absolutely amazing. I was able to deliver these to 5 different residential programs serving youth experiencing homelessness and was met with so many smiles and words of gratitude. Thank you for what you are doing, thank you for supporting us in this work and know the impact is real!"
> -From a partner program

Thank you for your partnership in this important work.

Best regards,

Thomas Reynolds
